BOOST

About AEDP

AEDP actively positions and promotes commercial spaces and economic opportunities in the City of Alexandria, Virginia and operates as the City's primary engine for economic development.

About *humble impact*

humble impact is a nonprofit that shepherds and serves as a platform for sustainable and scalable businesses. To educate, accelerate, and invest in top women, veteran, and minority talent; generate sales, build teams, develop strategic partners, and deliver measurable outcomes faster through purposeful curriculum, in-market testing, impactful mentors, developed networks, and access to key resources through startups.

BOOST Alexandria

BOOST Alexandria is a business acceleration program sponsored by the AEDP, in partnership with *humble impact*, that uses proven accelerator models and curriculum to help startups form, scale, and grow for the purpose of fostering business development and creating economic resiliency in Alexandria, Virginia.

the partnership

humble impact was chosen to partner with AEDP to create Alexandria's first business acceleration program based on their mission to serve communities who believe that economic development in growing ecosystems is the cornerstone of community resilience. As an organization, they provide personalized acceleration programs for federal, state, and local governments as well as non-governmental organizations and foundations seeking a better philanthropic connection to people with problems worth solving.
